Directions and Parking Information:

Parking is a big problem around here, so please tell everyone to allow for extra travel time due to the parking situation. **There are three alternatives for parking:**

The first one is right on the street in front of our building, 150 West State Street. There are meters. Some have a two-hour limit and others have a one-hour limit.

The second is people can also try our parking lot out back, but it gets packed pretty quickly and we will not have enough spaces to accommodate everyone who will be attending the meeting.

Directions to the lot in back of our building are as follows:

Coming from Calhoun Street, make the right onto West State Street and drive until you see a one way street called Taylor Place on your left, make a left onto Taylor Place. Make your first right and to your left you will see our parking lot.

Please try to park in the middle row. You will be behind 150 West State Street. There is an attendant there (usually after 9 a.m.) and **parking is \$5 per car.**

The third alternative is parking at the Trenton Marriott lot. From Route 29, everyone would have to exit at Memorial Drive. Continue through one light to the Stop sign. Turn left. Follow to next Stop sign. Left onto South Warren. For Parking Garage, make immediate left.

From the parking garage, take the elevator to the 1st floor of the hotel. Walk around to the front entrance of the hotel and walk toward the War Memorial Building, which is next to the hotel. At corner, turn right on Barrack Street and make a left onto West State Street. Cross the street and we are located at 150 West State Street on the 3rd Floor. It is approximately a 5-10 minute walk.

Entering the Trenton Office:

If anyone has problems with the keypad in the lobby of our building, please call 609-656-2001 and I will walk down and let them in. There is a keypad outside in back and in the front lobby of our building as well with a code on it.
